

Nursing Program Application Reference Form (Forms available on TNCC website)

Two references are <u>required</u> when an application to the nursing program is submitted. The first reference must be obtained from a Biology or Health faculty member (full-time or adjunct) from any higher education institution. The second reference can be obtained from: (1) any Pre-Nursing Course (BIO, HLT, PSY, CST, PHI, SDV, ENG) full-time or adjunct faculty from any higher education institution, (2) a current supervisor or (3) a former supervisor. References must be received in a *sealed envelope* with the signature of the person completing it over the envelope flap. <u>The applicant must submit references when submitting the application to Enrollment Services.</u>
