 Distance - Paid when all classes are reported to the VA as Distance which includes all courses with section codes beginning with the letter "D". Students enrolled in at least one residential (on-campus) credit will receive the higher rate based on the date they began receiving Post-9/11 benefits while attending Virginia Peninsula.

The VA is the sole determiner of benefit and MHA eligibility. The information above is provided for reference purposes only and are only estimates. Students are advised to contact the VA (1-888-442-4551) to confirm their benefit eligibility prior to the start of the term. The COE issued each semester by the VA upon receipt of the Enrollment Certification will outline the expected benefit payments.
