

Dear Prospective Concurrent Student,

In keeping with changes in health care delivery and technological advances available in education, the faculty of the School of Nursing has developed this innovative Concurrent Enrollment option. The Concurrent Enrollment option presents an opportunity for individuals to obtain a BSN in a timely manner while remaining in their local community.

For assistance, please email a copy of your transcripts to our intake advisors as follows. If your last name begins with:

A-K contact Todd Marville tmarvill@odu.edu,

L-Z contact Mark Pryor mpryor@odu.edu

The concurrent enrollment nursing student will complete all ODU BSN nursing courses Online while concurrently enrolled in prelicensure nursing courses at an affiliated institution. For more information, visit this page: <https://www.odu.edu/nursing/undergraduate/concurrent-enrollment>

Advisors work with students to develop an individual plan of study to fulfill all requirements. This program contributes to the BSN prepared workforce as well as prepares RNs for graduate programs by creating a seamless progression from the AAS to the BSN. Following graduation from the prelicensure program and successful completion of the NCLEX RN licensure exam, the student will be awarded 33 nursing transfer credits toward completion of the Bachelor of Science in Nursing Degree. The student will complete an additional 33 nursing credits at ODU. Fall, spring, and summer enrollment is available.

1. Successful completion of all non-nursing courses required for the BSN at ODU. These courses may be in progress at the time of application.
2. Admission to the University as a degree-seeking student.
3. Confirmed admission to a prelicensure nursing program at an affiliated institution..
4. A 3.0 GPA or higher.

Non-nursing requirements are as follows:

Written Comm. Skills (ENGL 110C) - 3 credits

Written Comm. Skills (ENGL 211C) - 3 credits

Literature - 3 credits

Language and Culture - 0-6 credits (This may be satisfied in High School or fluency in another language)
