

ARTICULATION AGREEMENT

SAINT LEO UNIVERSITY

AND

THOMAS NELSON COMMUNITY COLLEGE

I. SCOPE AND PURPOSE

- A. Articulated Programs.* Saint Leo University (SLU) and Thomas Nelson Community College (TNCC) hereby enter into the following articulation agreement governing the matriculation of Associate in Arts, Associate of Applied Science and Associate in Science graduates of Thomas Nelson Community College into Saint Leo University Baccalaureate of Art degree programs of Business Administration (Accounting, Management, Marketing, Health Services Management and Technology Management), Criminal Justice, Human Resources Administration, Psychology, Religion, Sociology and a Baccalaureate of Science degree in Computer Information Systems.
- B. Students.* Saint Leo University will make every effort to ensure that admitted students have received their Associate's degree prior to admission to a particular SLU degree program. Students who are not planning to receive a degree from TNCC, but who need prerequisite courses to enroll at SLU will be advised by the SLU's advising staff.
- C. Purpose.* It is the intention of this articulation agreement to facilitate a seamless transition from the Associate in Arts, Associate of Applied Science and Associate in Science programs at TNCC to the Baccalaureate programs at SLU.
- D. Understanding of the parties.* For all Thomas Nelson Community College Associate in Arts, Associate of Applied Science and Associate in Science graduates admitted to Saint Leo University during the term of this agreement, Saint Leo University will:
1. accept the students as having junior standing, with the understanding that some students may need to complete certain prerequisite courses for the program in which they enroll. (Transfer students who hold an AAS or AS degree may be required to complete additional general education courses.) In addition, all students must complete the following courses:
 - two Religion courses; one of which must be the SLU course REL 401 The Catholic Tradition,
 - two Science courses; one Physical Science and one Life Science,

- one Survey of Literature course, (ENG 225,226 or 311)
- one course in History or Economics or Political Science,
- one Mathematics course at the level of MAT 128 or higher,
- one capstone course in the major, and
- COM 130 PC Applications.

2. accept transfer credit for courses in which a "D" grade was given.

E. Severability. If, for any reason, any provision of this agreement is held invalid, all other provisions of this agreement shall remain in effect. If this agreement in whole is held invalid or cannot be enforced, then to the fullest extent permitted by law any prior agreement between the parties shall be deemed reinstated as if this agreement had not been executed.

II. ARTICULATED PROGRAMS

Article 1 – General Education

Associate in Arts, Associate in Science and Applied Associate in Science coursework is transferable to Saint Leo University and applied to meet degree requirements (General Education and Electives) up to the limit allowed from community colleges per policy as set forth in the current Saint Leo University Catalog. The following is generally valid for all majors:

Associate in Arts (AA) hours transferred (64 semester hours); minimum hours in major with SLU (30 semester hours); total hours needed to graduate (minimum 120 semester hours).

Associate in Science (AS) coursework is transferable to Saint Leo University and applied to meet degree requirements (General Education and Electives) as applicable and within the aforementioned limits. General Education and Elective courses may be taken with SLU or if available, at TNCC, depending upon the graduation needs of individual students.

Applied Associate in Science (AAS) coursework is transferable to Saint Leo University and applied to meet degree requirements (General Education and Electives) as applicable and within the aforementioned limits. General Education and Elective courses may be taken with SLU or if available, at TNCC, depending upon the graduation needs of individual students.
